ACTON MUNICIPAL PROPERTIES DEPARTMENT

INTERDEPARTMENTAL COMMUNICATION

To: Don P. Johnson, Town Manager

Date: 11/28/05

From: Dean A. Charter, Municipal Properties Director 

Subject: NSTAR rebate check for PSF project

I am pleased to report that I am in receipt of a rebate check in the amount of \$2,340 from NSTAR Electric and Gas, as reimbursement for the motion sensor lighting installed as part of the general contract for the Public Safety Facility. This amount is additional to the \$16,590 that was received from NSTAR in December of 2004 that was also for the PSF, in recognition of the energy efficient HVAC motors and lighting systems.

As was the case with the earlier rebate, I would like to have these funds deposited directly into the PSF Warrant Article, to be used to further equip the facility. The funds do represent a direct payback for the additional costs we incurred due to initial installation of highly efficient systems.
